Dear Families and Friends

What a range of weather conditions we experienced this week. Some rain would have been very welcome.

I will be attending a Live Life Well at School workshop next Tuesday and Wednesday and a Teaching Principals meeting on Thursday.

This week in Maths we have completed assessments on 3D shapes and completed tasks on Patterns and Algebra. We have also been completing daily maths mentals and revision across all concepts.

Students have begun publishing their items for the magazine which will be presented in a newspaper format. Children will be engaging in computer lessons with Jenny on formatting and layout.

Sue will be continuing with Rainforests in HSIE examining the destruction of rainforests and its causes. Students will also study the country of the school play which is China.

Jenny is completing Electricity with assessments in the next couple of weeks. Jenny will then move onto Communication and Information.

Just a reminder that Rainforest projects are due Wednesday Week 4 so they can be presented on Sue’s day.

Kindergarten Orientation

Kindergarten Orientation will be held on the following dates:-

Wednesday 29th October
Wednesday 5th November
Wednesday 19th November
Wednesday 26th November

If you know any family with young children who may be interested in attending please pass on these dates. New Kindergarten enrolments would be most welcome.

Federal Park Party

The park party is the 25th October not the 18th as stated in our note. We need volunteers to run the stall for 2 hr shifts and donations of second hand items to sell. Please take your donations to Federal Park on the day.

Count Us In

We will be joining with Goonengerry school for this event. Students will participate online with thousands of other schools around Australia. Notes will be sent home on Friday.

Have a good week, Biak-baik (Take care)

Sharon Turner

Children’s Music Classes 1-7 years
Our regular early childhood music classes known as ‘Sprouts’ ‘Seedlings’ and ‘Saplings’ are held weekly for 1 through to 7 year olds. Our dedicated teachers Felicity Clifton and Heidi Chappelow provide engaging and inspiring learning. Our classes provide a playful and creative learning environment, introducing music concepts to children through songs, games, movement and dance. Classes are held weekly at the Conservatorium.

Children’s music class schedule - Tuesday’s during school term
9:30-10:15am (1-3 years) ‘Little Sprouts’ with Felicity
10:00-10:45am (3-5 years) ‘Big Sprouts’ with Felicity
3:30-4:15pm (4-5 years) ‘Seedlings’ with Heidi
4:00-4:45pm (6-7 years) ‘Saplings’ with Heidi

Community Music Program
Our Community Music program offers a range of exciting ensembles including Little Strings, Young Strings, Guitar Ensemble, Cello Ensemble, Youth Jazz Orchestra, Elementary Band as well as individual tuition.
For more information or bookings please call the Conservatorium on 66212266 or see our website www.nrcac.edu.au

Tacos and Dessert
$5

On Wednesday the 15th October, year 4 & 5 students went to Rosebank School to make an animation for our Imovie introduction.
First we used playdough and made a warm up animation. We needed to use three strategies. They were the cushion, loop and reverse strategies. We then made our animation.
Ours was about a King and Queen getting married. There were quick myths and legends in it. We think ours had a lot of comedy.
It was a great experience and we hope we can go again next year.
