Dear Families and Friends

This week I attended a Live Life Well @ School workshop over two days. This is linked to a $2000 grant to be spent on school Physical Activity or Nutrition. I am required to submit an action plan this term.

This week in Maths we have been working on Addition and Subtraction.

**Rainforest Project**

Thanks to all the students who completed and presented their projects to Sue.

**Kindergarten Orientation**

Next Wednesday we welcome Malaki who will be joining us for his first Kindy Orientation at Big School. He is very excited and is counting down the days!

**Sun Safe**

We are a Sun Safe School and as the weather warms up it is important to consider sun safety at school. It would be beneficial for students to wear t-shirts or tops that cover their shoulders rather than singlet tops. Longer shorts or skorts for girls are comfortable and also offer more sun protection.

Also with the warmer weather comes snakes. Appropriate footwear is important during the summer months, covered footwear offers the best protection. For safety reasons please no thongs at school.

**The Rivers Small Schools Opera House Choir 2015**

Notes were sent home with Stage 3 students regarding The Rivers Small Schools Opera House Choir. It is great news for Isabella, Ruby and Ede who will automatically be in the choir because they were successful last at auditions last year. Auditions for other students will be held at Eltham Public School on Tuesday 4th November. I am required to submit names for audition by so could you please discuss this with your child and let me know.

Thanks Janet for another delicious canteen on Wednesday.

Have a good weekend

Sharon Turner

---

**Dates To Remember**

- Saturday 25th Oct—Federal Park Party
- Thursday 30th Oct—Music Count Us In at Goonengerry
- Thursday 11th Dec—Tentative Date for School Concert

**Student of the Week**

Aeryn Wilson

For her enthusiasm and focus in creative arts.
Federal Park Party
This Saturday 25/10/14

Could everyone drop off their goods for sale by 10am at the park.

We still need a few more volunteers to help out with the stall. Anyone who is able to help please call Kate tonight on 66882095 to organise a time.

The Park Party starts at 12 noon.
Sue has asked that the children be there at 2pm to perform their song ‘Happy’ with Goonengerry and Eureka.

Music Count Us In
Thurs 30th Oct
At Goonengerry
12.00pm– 1.45pm

We will be joining over half a million people, performing the same song at the same time right around Australia.
We will stay and have lunch with Goonengerry afterwards.

Parent volunteers needed to help with transport

Rainforest Assignment
Well done to all the students who completed and presented their projects. Everyone was very creative with their styles of presentation, we had books, power points and a play. Sue was very impressed with the high standard of work and is keen to see students develop their skills in this area.
