Dear families and friends,

We would like to welcome (Salamat datung) Tyler Davis and his family to our school community. Tyler is in Kindergarten and has become a valued and popular class member.

This week in maths we are working on Multiplication and Division.

In Indonesian children are practicing body parts and Language Perfect. This will be set as homework.

On Monday we farewelled Sabrina who was with us for 5 weeks. The students cooked banana and choc chip muffins and enjoyed their tofu pockets for lunch.

PIE DAY
This Friday we will be having pies for canteen. Please bring $3.50 for your lunch.

13th STORY TREEHOUSE
Our excursion to see the 13th Story Treehouse was enjoyable, but received mixed reviews from the students. They had some interesting comments for improvement.
