Dear families and friends,

This week in Maths we have been working on Fractions and completing assessments across other subject areas. Year 4/5 students completed their projects on Burke and Wills.

**Biggest Morning Tea**

Thanks to everyone who attended our morning tea last Friday for your generous donations. Altogether we raised over $150 which is a large amount for our small school. We had a delicious morning tea and all enjoyed the music and singing of our talented students. The student representative council (SRC) did a great job organising this event.

**Library Borrowing**

Thursday mornings will be our regular library session. The students will have a library lesson followed by the opportunity to borrow. Please make sure all previously loaned books are returned if students wish to borrow from the library. Thank you to Ede and Isabella who found and returned some of our missing library books. If you have any overdue/missing library books could you please have a look around your house and return them soon. If books are lost it would be a great gesture if the book could be replaced or the cost towards replacing it provided.

Students participated in Water Watch on Tuesday with Barb Jensen from Rous Water.

Just a friendly reminder that if you are picking your child up from school early could you please come to the classroom via the office so it can be recorded.

Have a good weekend.

Sharon Turner

---

**Libra ry Day**

**Every Thursday**

Please remember to return books if you wish to borrow.

---

**Student of the Week**

**Aeryn Wilson**

For her enthusiasm and progress with Language Perfect.

---

**Dates To Remember**

- Fri 20th June—Life Education
- Fri 27th June- Last day of Term 2
- Tues15th July– First Day Term 3
Thank you very much for your donation to the cancer Council at this year's biggest morning tea.

On **Tuesday 24th June** we will be holding a [Crazy Hair Day](#). If it is not too much to ask can every student bring a gold coin donation for the SRC to raise money for an outdoor twister game for the school.

By Issy, Ede, Ruby, Emmi and Aeryn

PS: Come Crazy!!

Student Logins for **Mathletics** and **ABC Reading Eggs** are attached in case your children are looking for something educational to do in the holidays.

Another good website which can be accessed for free from home is **ABC Splash** which is packed with news, games and videos on different subjects such as maths, English, science, geography and history.
